I wanted to ask for a little more context on what exactly is being asked of Clear Pro when it comes to these gate guard devices. I was in Las Vegas with Gerry a few weeks ago and the way he explained what is happening with Gate guard Temen devices had me a little concerned. I want to know if Im opening up Clear Pro to any sort of unnecessary risk? Also here is the tracking from the first device I sent a few weeks ago.

Hi Derek,

I hope you are well. Would you mind providing an update on this? We need to provide an update to various teams.

Also, I have not seen an invoice come through so that we can pay you promptly.

Thanks,

I know on 3/26, you shared that you shipped one of the devices to San Jose – may you please provide the tracking info?

Thank you!

I just determined that there was only one device in the box from Gate Guard. I am sending the one that they did send me to the address #1 until the second gate guard device arrives.

Thanks Alex!

Hi Derek,

I hope you are doing well, and we appreciate your support with this order. Can you please send me the quote/invoice for this order and I can have Andres issue a PO which will be "pay upon receipt?"

If possible can you include the invoice from the company you ordered from?

Thanks,

**Christopher Berrett | Sr. Program Manager**
